宇土中高に、新外国語指導助手 (ALT) が赴任！

Hi! Mabuhay! My name is Shiera (シエラ) and I'm from the Philippines. I'm 34 years old and I recently came to Japan to become an Assistant Language Teacher here in Kumamoto. I am truly interested to learn more about the Japanese language and culture and to share about my home country as well. I like Kpop and singing. I am excited to know you all, so please don't be shy to speak to me in English so that we could learn together and be able to communicate to many people all over the world.

Hello! My name is Katie (ケイティ). I'm from Washington DC in America. I just graduated from college, where I studied chemistry and math. I have two younger brothers, and two dogs. I like rock climbing, hiking, crocheting, and baking. This year I would love to get better at speaking Japanese, and at cooking Japanese food. I'm really excited to get to know you!
